To Whom It May Concern:

I would like to highly recommend PAWSitive Strides as a great provider of pet care services. They have been working with my two shelties for the past year and have been reliable, courteous and protective of my dogs, and respectful of my house. They are also listed on the Keane's Pointe Homeowner Reviews at the Keane's Point Community Association Website as a highly regarded service.

My dogs, McKensie and Princess are two shelties who always look forward to their walks with Paula during the week, and miss her when she is not here on the weekends.

I have also used their overnight service for holidays and found them most respectful of my household and my precious pets. Again, I would recommend PAWSitive Strides without hesitation.

Sincerely,

A handwritten signature in cursive script that reads "P. Godleski".
